What's a Toffee Nut Brown Ale?

Based on the English Brown Ale, The Toffee Nut Brown Ale is a style with little, but interesting history—because we invented it! Where the classic English Brown ends, Euforia begins with the addition of two gourmet coffees specially ground just for this unique style: English Toffee and Butterscotch Toffee. These not so secret ingredients infuse this little brown ale with giant flavors of toffee, nuts and butterscotch. It is medium bodied and dark brown in color with a thin tan, lingering head and a velvety, creamy mouthfeel. Euforia's finish, roasty with just a hint of hops, and moderate 4.8% abv, make it a great after dinner or dessert drink.
